**RE: NOTICE – Disposal of Well Drilling Fluids – Technical Report & Response**

Mr. Cwikla:

This response is to the California Regional Water Quality Control Board (“Regional Board”) on the inserted 1- 9 items related to the Order pursuant to California Water Code Section 13267 (“Order”) for Silver Exploration Company (S3590).

Silver Exploration does not own, manage, maintain or operate any of the following:

- Active Ponds, Sumps, or Pits
- Historic Ponds, Sumps, or Pits

Any minimal water disposal is commercially vacuumed and transported safely from the property location. All such water disposal has been reported on a quarterly basis and in compliance to the Department of Conservation Division of Oil, Gas, and Geothermal Resources using the following:

- Water Disposition Code (06) = Other - Commercial disposal, Industrial use, non-class II well, etc.
- Water Disposition Description = Water is disposed of by another method, such as commercial disposal, industrial use, non-class II wells, etc...
